

SFA Educational Assistance Program

We will be accepting packets for 2012 Awards through 30 April 2012

The Special Forces Association Education Assistance Program is designed to provide one-time scholarship grants to SFA members, dependents, and grandchildren of members in good standing. The number of grants awarded and amounts are determined by the scholarship Committee with the approval of the Association Board of Officers. Grants may be given in the name of Individuals or corporations when funds are contributed directly for this purpose and are approved by the SFA Board of Officers. The Assistant Secretary chairs the Scholarship Committee and selects its members. The scholarship awardee selections are made by the committee with the approval of the SFA Board of Officers, announced at the annual SFA Convention held each year in June or July, and posted in the Fall Drop. Checks will be awarded after the annual convention, usually in July of each year.

The SFA Scholarship Fund is a separate account that derives its monies from contribution of members, chapters, and interested parties and corporations. This program would not exist if not for the donations received, and the amount of scholarships that can be awarded is dependent on the generosity of our donors.

Those wishing to donate to the fund should mail checks payable to the "SFA Scholarship Fund" to:
